

# Dependent (J-2) Request Form

**NOTE:** A J-2 DS-2019 cannot be requested for someone other than your spouse or child(ren).

Scholars in J1 visa status can apply to bring a dependent spouse, or child under the age of 21 to the U.S. in J2 status. Dependents in J2 status may apply for work authorization after they have entered the U.S. Once their work authorization has been approved, they are then eligible for a social security number. If requesting a J-2 DS-2019 Form for a dependent spouse, you will be required to provide proof of a marriage certificate or equivalent at the time of the dependent's J-2 visa interview, or, in the case of Canadians, at the time of border crossing. If requesting more than two dependents, simply submit additional page(s).

**Please submit the following documents to the ISSO:**

- Dependent Request Form (*attach additional pages if necessary*)
- Copy of dependent(s) passport
- Financial proof
  - \$8400/year (\$700/month) for a dependent spouse and \$4800/year (\$400/month) per each dependent child
