Course Information

Course Registration

UNC Charlotte Course Wish List: During the application process, students will submit their desired courses for the upcoming semester.

Most courses in the university catalogue are only offered one semester per academic year. Use the instructions below when selecting your courses:

Courses Offered - by Semester

Go to Banner Self Service (<https://selfservice.uncc.edu>), select "Class Schedule," choose the upcoming term (Fall 2024 or Spring 2025) then click "Submit." Choose the subject you are searching for in the "Subject:" box. Then scroll to the bottom of the screen and click "Class Search."
(Note - you can only search for one subject at a time.)

Predicting courses to be offered in a future term: If the semester list isn't yet available, you can "guess" what may be offered for an upcoming term (ex. Fall 2024) by reviewing courses that were offered the same term the previous year (ex. Fall 2023).

Undergraduate students: between 12 - 18 credits per semester

Graduate students: between 9 - 12 credits per semester

1 lecture credit = 750 minutes of face-to-face instruction per semester

1 laboratory credit = 1500 minutes of face-to-face instruction per semester

Language of Instruction
